<sup>1</sup> IPEDS definition of "degree-seeking student" includes those enrolled in courses for credit who are seeking a degree, certificate, or other formal award. This includes students who: received any type of federal financial aid, regardless of what courses they took at any time; received any state or locally based financial aid with an eligibility requirement that the student be enrolled in a degree, certificate, or transfer-seeking program; or obtained a student visa to study at a U.S. postsecondary institution. It excludes concurrently enrolled high school students.

<sup>2</sup> The CO definition of "degree-seeking student" includes first-time students who: have valid Social Security numbers; a minimum of 6 units earned in the first three years; and attempted any Math or English in the first three years.
