	3-Year Objective	Progress
Objective CER 2.1	<i>Concurrent enrollment framework provides college access to a greater number of high school students, especially under-represented, and leads to increased college attainment and success for these students, in collaboration with the work team of Objective IP2.1.</i>	
Objective CER 2.2	<i>A college-going and degree-completion culture exists among target students in diverse communities in partnership with K-12 partners.</i>	

EPC Notes/Recommendations:

- Clarify in next strategic plan -- is this for pre-college? Pre-high school? Connect to COMPASS etc? What is overall goal -- go to COM or to build college going culture in youth overall? What does success look like / measure?
