Source: Banner-Argos Reports "Degrees_Certs_BLT" and "Graduation Transcript"

Notes:

For each award, time-to-award is calculated as:

$(\text{Graduation Date} - \text{First day of the first semester in attendance at COM}) / 365$

Semesters enrolled from the first to the graduating semester include summer terms but not skipped semesters in which the student did not enroll.

Certificate programs with only one award do not include data on mean time to award or semesters enrolled to protect student confidentiality.
